### ...PRAYER FOCUS

**Student Spotlight—Luke Keeney**, Graduates this spring with his Chemical Engineering Degree from UMD

**Grace Partners**—The **BOAZ Project, Jim & April Jurgenson**, working through orphanages and foster homes in Russia, India, and Kenya.

- April has recently published a book highlighting BOAZ Project's years of ministry, with stories of individuals and experiences that will open your eyes to the many ways that God is leading and blessing through this ministry to children! A copy is on the way for our Library.
- We have taken part with the "Orphan Gift Banks" project around Christmas over the years. These banks encourage families to save up their change to be used for purchasing Birthday and/or Christmas for the children. An added opportunity in the coming year is contributions for the purchase of school uniforms and books. In many instances, the children must purchase these supplies or are unable to attend school.
- Please pray for these orphans, and their caregivers to see the love of Christ for them. BOAZ Project is approved for Designated Missions giving. (see below)
