...PRAYER FOCUS

Student Spotlight—Sam Skaar, Gustavus Adolfus College

Grace Partners—Lee & Janelle Peterson and family, Sedgefield, South Africa & Baxter, MN

- “When we started furlough last year, we needed to raise an additional \$60,000 for the church building [Sedgefield] purchased in 11/17...now the site of our church, Lakeside Baptist, and also the site of the College (Biblical Leadership Institute) that began in February, 2018.’
- The Sedgefield work has been completely truned over to the nationals, but the need for continual training for pastors exists. Our focus will be to continue to work with our leadership in the Sedgefield work; but we will also be assisting with the other church plants, 5 in total, to help them with discipleship and training.
- “We would appreciate your prayers...” With 2 daughters transitioning to college in the States, and a son graduation this year from high school, “with much counsel, we have decided that for this year our family will remain in the States and I will be traveling back and forth for short periods to help with the work...I will be writing curriculum for the churches and colleges, and will be teaching via ZOOM (like Skype) to our people in SA.
