...GRACE PARTNERS

Dwight & Tracy Hensler, Andrew, Zach & AJ, Wycliffe Bible Translators (recently returned from Tanzania, Africa)

"Greetings from North Carolina! We arrived here at the JAARS center near Waxhaw (south of Charlotte) about 2 weeks ago [Aug. 28 letter]. Jaars is a partner organization to Wycliffe, providing technical and logistical support for Bible translations around the world.) We are thankful for a furnished apartment to rent as our 'home base' during this home assignment. It has been very nice to unpack and settle in for a while after several weeks of travel and temporary lodging.

- Attended “The Wycliffe Connection” in July—a workshop designed to encourage and equip members of our sending organization who are coming back to the States for home assignment or change of assignment.
- Some Home Assignment goals: reconnections with support partners, rest and readjustment to living in America, doctor and dental checkups and planning for our next assignment.
- Andrew has already started classes at South Piedmont Community College, studying IT/Information Systems. Our younger two are attending online high school through Liberty University.
- Dwight is in the process of investigating possibilities for a US-Based assignment in IT and choosing study programs to help him in any future role supporting Bible translation
- Tracy’s main job is family management. However, She is still involved a few hours a week in typesetting coordination for the Tanzania branch and is also planning to typeset the Rangi New Testament when the final checking is complete, hopefully this month.

*If you would like to be part of the Henslers support/prayer team, you can contact them at tracy-dwight_hensler@wycliffe.org. They are approved for Designated Missions support through GBC. (*See below for details)*
